Forward Looking Information:

This news release contains forward-looking statements. All statements, other than statements of historical fact, that address activities, events or developments that the Company believes, expects or anticipates will or may occur in the future including, without limitation, the Company's expectation to file its third quarter results for 2024 by November 14, 2024, the Company's expectation of continued operational improvements in 2024 and the execution of the Company's growth opportunities are forward-looking statements. These forward-looking statements reflect the current expectations or beliefs of the Company based on information currently available to the Company. Forward-looking statements are subject to a number of risks and uncertainties that may cause the actual results of the Company to differ materially from those discussed in the forward-looking statements, and even if such actual results are realized or substantially realized, there can be no assurance that they will have the expected consequences to, or effects on, the Company. Factors that could cause actual results or events to differ materially from current expectations included in this news release include, among other things, adverse market conditions, risks associated with obtaining and maintaining the necessary governmental permits and licenses related to the business of the Company, increasing competition in the market and other risks generally inherent in the chronic pain, sports medicine, concussion and workplace health services markets. A comprehensive discussion of these and other risks and uncertainties can be found in the Company's annual information form dated March 14, 2024 filed on SEDAR+ under the Company's profile at www.sedarplus.ca.

Any forward-looking statement speaks only as of the date on which it is made and, except as may be required by applicable securities laws, the Company disclaims any intent or obligation to update any forward-looking statement, whether as a result of new information, future events or results or otherwise. Although the Company believes that the assumptions underlying the forward-looking statements are reasonable, forward-looking statements are not guarantees of future performance and accordingly undue reliance should not be put on such statements due to their inherent uncertainty.
